MONTHLY BREW

Have You Signed Up for Our Subscription Boxes Yet?

Our Subscription Boxes launched in June and they were an instant hit. If you haven't signed up yet, you can do so on our website at 1820CoffeeHouse.com/Subscription. This is a recurring monthly subscription. It is "local" and includes a bag of our regular coffee (Texas Pecan, Medium or Dark Roast) and one specialty coffee (not typically available at the coffee house). In addition to the coffee, we are including some special swag not available anywhere else. If you want to be in the know you have to sign up at 1820CoffeeHouse.com/Subscription. It is not too late to sign up for next month's!

Air Freshener Key Chain

Gulf Coast Regional Blood Center

On Friday, August 29th, we held our second Blood Drive with the Gulf Coast Regional Blood Center. Both times we had the big bus out here, our community has filled up every appointment available plus some. We are so blessed to have a customer-base that is so willing to get out and donate each time they are here.

We try to have them out about every three months, so please follow us on Facebook so you can see when we post these events. We'll probably have them back in about three months, which is around the middle of October. We'll post a sign-up link where you can schedule your specific time to donate.

Summer Flights

Our summer flights have taken off, there are a variety of refreshing iced drink options including teas and lemonades. When you order, we'll provide you a checklist to help you choose a flight that's right for you. If you're not feeling very creative, ask your barista for suggestions and we're sure you'll love what they come up with for you.

Of course, you can always meet up with a friend and share the flight. Seems like a good choice to us and we think you'll see 1820 Coffee House is a great meet-up spot.

School's Back!!!

1820 Coffee House has become a place where people can meet and enjoy some great coffee, food and conversation. We want to share that we are prepared for students to continue visiting us after school as we will remain open until 8:00 pm every night except Sunday. Our hours on Sunday will remain 9:00 am to 5:00 pm.

We have great WiFi and we'd like to encourage you or your student to continue visiting us during the school year. We are working to create some student specials during the school year to ensure your students have healthy food and beverage choices during their study times.

Shop Local Shirts Support Small Businesses

You may have seen our Shop Local shirts in the coffee house and around town. Did you know that a portion of the proceeds of the sale of these shirts actually goes to "The Chamber" right here in Alvin, where it directly goes to support other local businesses in town? Get your "Shop Local" shirt today and show your #AlvinPride by wearing it around town. We would love to flood the town with these shop local shirts.

Don't forget to check out the Alvin-Manvel Area Chamber of Commerce website (AlvinManvelChamber.org) to see a list of all the small businesses in Alvin and Manvel. This is a great way to see what businesses are in town that you can support.

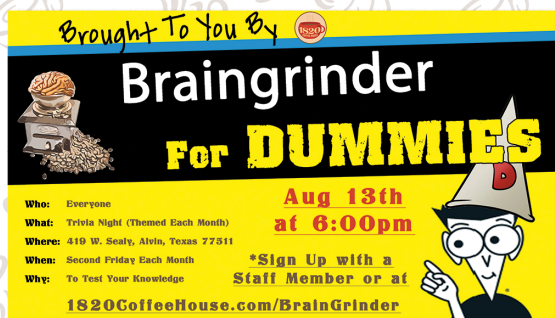

Support any of these businesses by frequenting them and sharing your positive experiences with others through word-of-mouth and on social media.

Trivia for Dummies

If you've been thinking about attending our monthly Brain Grinder Trivia Night, but aren't sure how you'll do, this month's theme may be enough to change your mind. This month we've *dumbed it down* and are calling it Trivia for Dummies.

This is your chance to come out and test the waters on whether you'll like trivia. Whether you win or not, we're sure you will enjoy the event. We'll have coffee, lattes, cold brew, lemonade, frappes, etc. We'll also have paninis, sweet treats, and more.

"The Americans"

Rounds will include, Music, Geography, History, Movies, and a Mystery round. So study up and come try your luck.

As a reminder, entry is \$10 per team of up to four. Each team member (up to four) of the winning team wins a prize, which may or may not include a gift card to your favorite coffee house and/or a prize that matches the theme of that month's trivia.

What events would you like to see?

We are always working towards creating community once cup at a time. In doing so, we are constantly looking for opportunities to bring our community together. If you have an idea of an event that you think will help create community we'd love to hear about it. Please send us an email to info@1820CoffeeHouse.com with your ideas.

Share 1820 Coffee House with others!

We would love it if you would like and share our Facebook and/or Instagram page on your pages. And, if you want to **share the love** a 5-star review on Google would be very appreciative.

Summer Music Night Continues

Our summer music series continues with independent artist, Jordan Soliz. He'll be hanging out singing from 6:00 p.m. to 8:00 p.m. on August 20th. We're excited to support local artists so we hope you'll come out and join us. Please share the event we created on Facebook so we can pack the house for this young, up-and-coming musician.

Smash Brothers – Round Three

If you're a Smash Brother player, join us on Saturday, August 29th for our monthly Smash Brothers' tournament. We held our first tournament back in May, and we had a great turn-out at our second event. Please bring your own controller. Entry free with any purchase from the coffee shop.

Staff Changes

For those that come in regularly, we know you get to know and love our baristas as much as we do, so we want to let you know of a few changes that are happening this month.

Anni, a recent graduate of Alvin High School, will soon be leaving for college. She is heading off to join her sister at Texas A&M to begin her studies. We have two new staff joining us this month: Penelope and Morgan. Please take an opportunity to say hello to them the next time you're in.

Jayne and Britney have both been promoted to management. Feel free to congratulate them both the next time you're in and should you have any concerns, please get with one of them.

August Pop-Up Shop

Each 3rd Saturday of the month, we like to highlight an individual or business in our pop-up shop. This month on **August 21st** we are featuring Leah with Sweet Creature Studio. She'll have a selection of beautiful handmade jewelry available and we hope you will join us in supporting her. She'll be set up and ready to go at 9:00 am and she plans on being here until noon. We look forward to seeing you there. Of course, you can get a hot or cold coffee while you're visiting her.
